Dear Haynell,

I don't believe we've ever been so close as we have this, our sophomore year. We've done so many different things this year that if anyone tried to write them down, it would fill a book. In a very proud of all of us in the soph. class have sort of "stuck" together. A few of us have moved up but most of us still hang around together.

## Reminiscing

What we enjoy most, it seems, ~~memories~~ would have been ~~memories~~ Never remains long; ends up in dreams.

Our high school days are much like this— Fast fleeting days all filled with bliss.

But as time and worry greets us each day, They may black the dear memories along the way

Of all our friends and the joys we shared. ~~It's hard to slip~~

My, we failed to realize how much we cared! ~~us as quickly as they seem to beading.~~

When we do find time to remember the past, We have this, our high school annual, where at last

We can see the faces of all our friends And think of our high school days once again.

We can keep all our fond memories and think of the joys Which we had as happy young girls and boys.

There's a million and one things to do & we've got to hurry to get them all done in two years.

There's writing a very wonderful & sweet girl the very best life could ever offer anyone.

May God bless you always and forever,

I am,

A group of young darlings entered schools all over the country twelve years ago. From this group came the Seniors of Stephenville High School. Some started at the Central Ward School but these were only a minority of the group.

As the years went by we gradually began to congregate in Junior High School. The parties and all the fun we had then, began our social life as young men and women. The poor teachers who put up with us then probably thought us to be not the near citizens of the world, but rather little maniacs whose lives would never amount to much.

Before we realized what was happening we were ready for high school. At the close of the year in 1949 our graduating class from Junior High School was the largest there had been in all the years before. We were proud of that fact. The graduation exercise was brought about in grand form.

The following term brought into Stephenville High School a group of students, who were very nervous and unacquainted with such a system, although before a week was gone most of the students began to get into the "swing of things." The following week we elected our class officers which consisted of: President, Jeral Jackson; Vice-President, Clayton Roberson; Secretary, Carolyn Cox; Reporter, Sammie North; Sgt.-at-Arms, Bruce Chapman. As the year progressed we enjoyed the plays and other activities furnished by the upper classmen.

Our sopohmore year brought about the election of our officers, who were: President, Jay Ray McCullough; Vice-President, Clayton Roberson; Secretary, Joy Lee McLarty; Treasurer, Geraldene Mayfield; Sgt.-at-Arms, Texie Mae Sisson and Robert Herrin; Reporter, John Brandon. Still our activities were few.

The real life as high school students began in our Junior year. The big event we were working toward was the Junior-Senior Banquet to be held in the spring. The activities consisted of an operetta, "Sadie Shaw from Arkansas" which brought down the house. Our sponsors were mainly responsible for the success of all. We had several basketball games and cake sales. At the end of the year we were able to give a banquet which was carried out in the Hawaiian theme and thoroughly enjoyed by all.

The officers that helped so much that year were: President, James Terrell; Vice-President, Herman Kaufman; Secretary, Darlene Brooks; Treasurer, Joy Lee McLarty; Reporters, Linda Lee and Geraldene Mayfield; Sgt.-at-Arms, Clayton Roberson.

When the fall term of 1952 began the seniors looked forward to all the days to follow of that year. They were happy to be nearing that most important time in one's life, receiving the graduation diploma. Yet they all looked back and felt sad for all the days gone by.

A grand event for that year was to be the trip, but it took a lot of hard work and some dispute to accomplish it. We managed to raise the funds needed by cake sales, concessions at school and football games, two plays, magazine sales, and a girl's basketball game, and had a grand and glorious trip.

The officers for that year were: President, James Terrell; Vice-President, Jeral Jackson; Secretary, Rowena Wood; Treasurer, Joy Lee McLarty; Reporter, Clara Stafford; Sgt.-at-Arms, Herman Kaufman and Pat Reeves.

As we marched down the aisle for that commencement exercise, we did it with tears in our eyes, and thoughts in our minds which never could be surpassed. They were thoughts of happiness for all the good things that had happened, everlasting friends we had found, instructors we were never to forget, a very successful athletic season, and a gratitude to all.

Now that we leave old S. H. S., let us leave the memory of the Senior Class of 1952-1953 to all, by these few words, a few mars on the old building, and words of advice to all who are here in the future: "Heed well all your days here and remember them always."

The Sophomores entered high school this year with an air of enthusiasm. Everyone was looking forward to this year. The first day was one of renewing old friends, making new ones and settling down for the next nine months.

Officers were elected at the first Sophomore class meeting and our activities for the year were also discussed.

The annual Sophomore class play was presented on April 10. It was a comedy by the title of "Glory to Goldy".

It is the sincere aim of the Sophomore class to maintain the high standards of of this school and to hold the respect of everyone therein.

In Coach Murphy's seven years of coaching at Stephenville High School he has proved to be one of the best coaches in this part of the country. He gained this fame by his outstanding character and his friendliness with everyone.

Coach not only taught the boys the fundamentals of football, but also to play the game fair, whether winning or losing. He was always behind the team regardless of the outcome.

This year Coach has had one of the best seasons of all. He coached the team to the quarterfinals where they lost to the Terrell Tigers, who later won the State Championship.

We congratulate Coach Murphy on his having a very successful season and one in which Stephenville High School will never forget.

We boys in the athletic department are most grateful to Coach Johnson for his faithful guidance. His stalwart, moral character has been an inspiration to us throughout the time he has been our assistant mentor. He has instilled in us his will to fight and to win honorably. His spirit of co-operation and his willingness to lend a helping hand always has been in evidence. We are proud of him and glad to call him "Coach" Johnson.

In the fourth year of work with the "B" team, Coach Allen Utterback has helped to develop athletes for the coming years that Stephenville High School can be proud of. He has devoted his tireless energy not only to the athletes of Stephenville, but also to the student body as a whole. His outstanding character, his personality, and his love and devotion of young people have made him a favorite among the students of S. H. S.

HERMAN KAUFMAN — "K'man"—Herman was one of the toughest 160 pound fullbacks in the State. He was honorable-mention on several teams. He was a constant hustler. He was also a unanimous choice for the All-District Team.

CLAYTON ROBERSON — "Clut"—Quarterback for the Jackets, was one of the best ball handlers in the State. He was selected on the all district team. This is the seventh year in a row a Jacket quarterback received this honor.

JERAL JACKSON — "Woo-Woo" — 175 pound senior center for the Jackets, was the best blocker on the team.

Playing his second year as regular for the Jackets, he was selected on the All-District team.

ROBERT HERRIN — "Rabbit" — an all-around senior end. This was his second year as a Starter. His spirit and endurance kept the team going in tight places. His spectacular catches won several games this year.

JAMES TERRELL — "Junior" — Left tackle for the Jackets, really showed up this year as one of the toughest defensive men in the State. He played his heart out in every game. He was selected on the All-District Second Team.

JAY RAY McCULLOUGH — "Jay"— A three year letterman with one more year of eligibility, if he chooses to take it. He was one of the biggest and fastest linemen in the State and earned a place on the All-District team by unanimous decision. Was a Jacket Captain.

Waynell —  
Hope this year  
has been as good to  
you as it has to me.

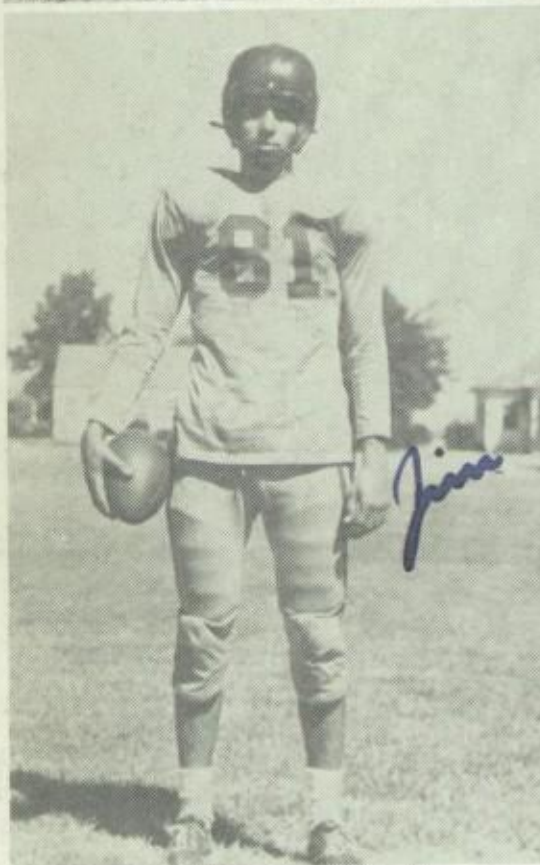

PORTER GRIMES — Switched from a defensive back to a guard during spring training. He developed into one of the finest little linemen of the district. He was one of the Captains for the Jackets.

SAM TAYLOR — "Odar" — 155 pound fullback, had lots of drive and determination. He played in almost every position on the line and in the backfield. Sam was a great runner until he injured a shoulder at Cleburne and then became a star defensive man.

JIM MOBLEY — "Tucker" — offensive right end for the Jackets, he was most always on the receiving end of those quick little jump passes. He was always good for a firstdown. Jim also made a good blocker.

JOHN McLEMORE — a squadman from last year, really came through for the Jackets in the play-offs with Winters, Graham and Terrell. He was a steady performer who gave his all.

JOE PRICE — Joe was one of the hardest tacklers on the team. He received a head injury late in the season which hampered his part in the play-offs.

JERRY KEILBERG — "K-berg" Jerry was not one of the regulars but he had the spirit and determination that it takes to make a football player. He never complained and always did his part well when asked to do so.

CHARLES ROBERSON — "Tubba" — Switched from end to tackle, Roberson blossomed out into one of the finest line-men in the district. He has one more year for the Jackets and will be a great asset to them.

CLYDE HEMBY — Sophomore who was showing promise of becoming a good runner. He broke a collar bone in the Weatherford game and moved to Sherman.

JACK BISHOP — "Jarrin' Jack" — Although he was the smallest man on the squad, he was pound for pound the roughest. He had intestinal fortitude with a capital "G" He was a constant hustler who never gave up.

JOE GAINES — This was Joe's first year out for football and he really liked the game. He was big and strong and could really take it when the chips were down.

MACKEY MONTGOMERY — Fresh from the "B" team, Mackey really proved his worth. With two more years of eligibility, Mackey will probably be one of the finest backs Stephenville has had.

JERRY FLEMMONS — Jerry was regular defensive end and showed signs of real stardom. With one more year to go, he will blossom into the best all-around end the Jackets have had for awhile.

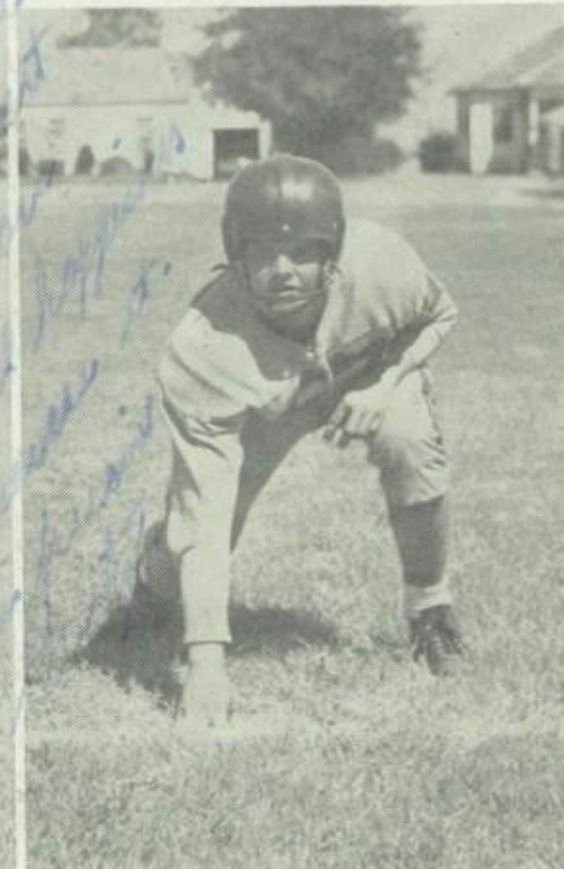

**LONNIE LEATHERMAN** — Lonnie was a big boy who really loved the game. He is another one with two years of eligibility and we are expecting Lonnie to be one more outstanding quarterback for the Yellow Jackets.

**KENNETH PAIR** — Ken really went all out for football; he was always in there fighting. He has two more years left to play and he should really help the Jackets.

**CARROLL GENTZEL** — "Gentzel" — A small lineman who could be depended upon to hold his end of the deal. Just a sophomore, he is expected to really help the Jackets next year.

**DAN LANE** — When Jeral broke his arm Dan stepped in and filled his shoes properly. He has one more year and will really boost the line next year.

**JIMMY KELLEY** — A real hard runner when he got started, and always hard to stop. He will help the Jackets next year because he never gives up. Jimmy was the best broken-field runner that the Jackets had, especially on punt and kick-off returns.

**CHARLES WHITE** — Charles was crippled most of the season but has shown that he is a sure tackler and dependable safety man. He has great possibilities as a runner, passer, and punter.

# "B" Team

This year the Stephenville High School had a very good "B" team. The "B" team played nearly every time the "A" team played. They showed a lot of spirit. Even when they were behind, they still were fighting with all they had.

The "B" team showed some good prospects for the "A" team next year. Most of the "B" team was made up of freshmen and sophomores. Some of these had never played basketball before, but they were willing to learn and try, and that is the reason they showed up so well.

The "B" team should be commended for their good work this year of 1952-1953.

The 1952 Jackets placed third with thirty and one-fourth points in their 2A track district, beaten only by Weatherford, with thirty-five points, and Wichita Falls with thirty and three-fourths points.

There were eight Jackets, all of whom graduated except Bobby John Jones, Jim Terrell, and Jim Mobley, who went on into the Regional Meet with Kirby Keahey and Jim Terrell going on to the State Meet, where both failed to qualify.

The 1953 Yellow Jacket Track team was small as usual, but the ten man team had high hopes of winning first place in their strong A conference over highly rated Comanche.

The Jackets opened their track season with a journey to the Fort Worth Recreational Meet, where none of the team qualified for the finals.

The next weeks they saw action in a triangular meet in Stephenville, the Tarleton Invitational, the Bluebonnet Relays, the District Track Meet, and the Indian Trail Relays.

# Girls Basketball Team

This year for the first time in the history of Stephenville High School, we had a girl's basketball team. They were provided with new uniforms of blue and gold and also with warming-up uniforms.

The girls did considerably well for their first year. During the season the team played twenty-six games, winning thirteen of them. They also won the Desdemona Tournament and consolation trophy in the De Leon Tournament.

The season began with Allen Utterback as the coach; but before the season was over Mrs. Woods came from Electra, Texas to coach the team. We are expecting to field a good team next year. We are not losing any girls and they will all have a year's experience in playing together.

# Yell Leaders

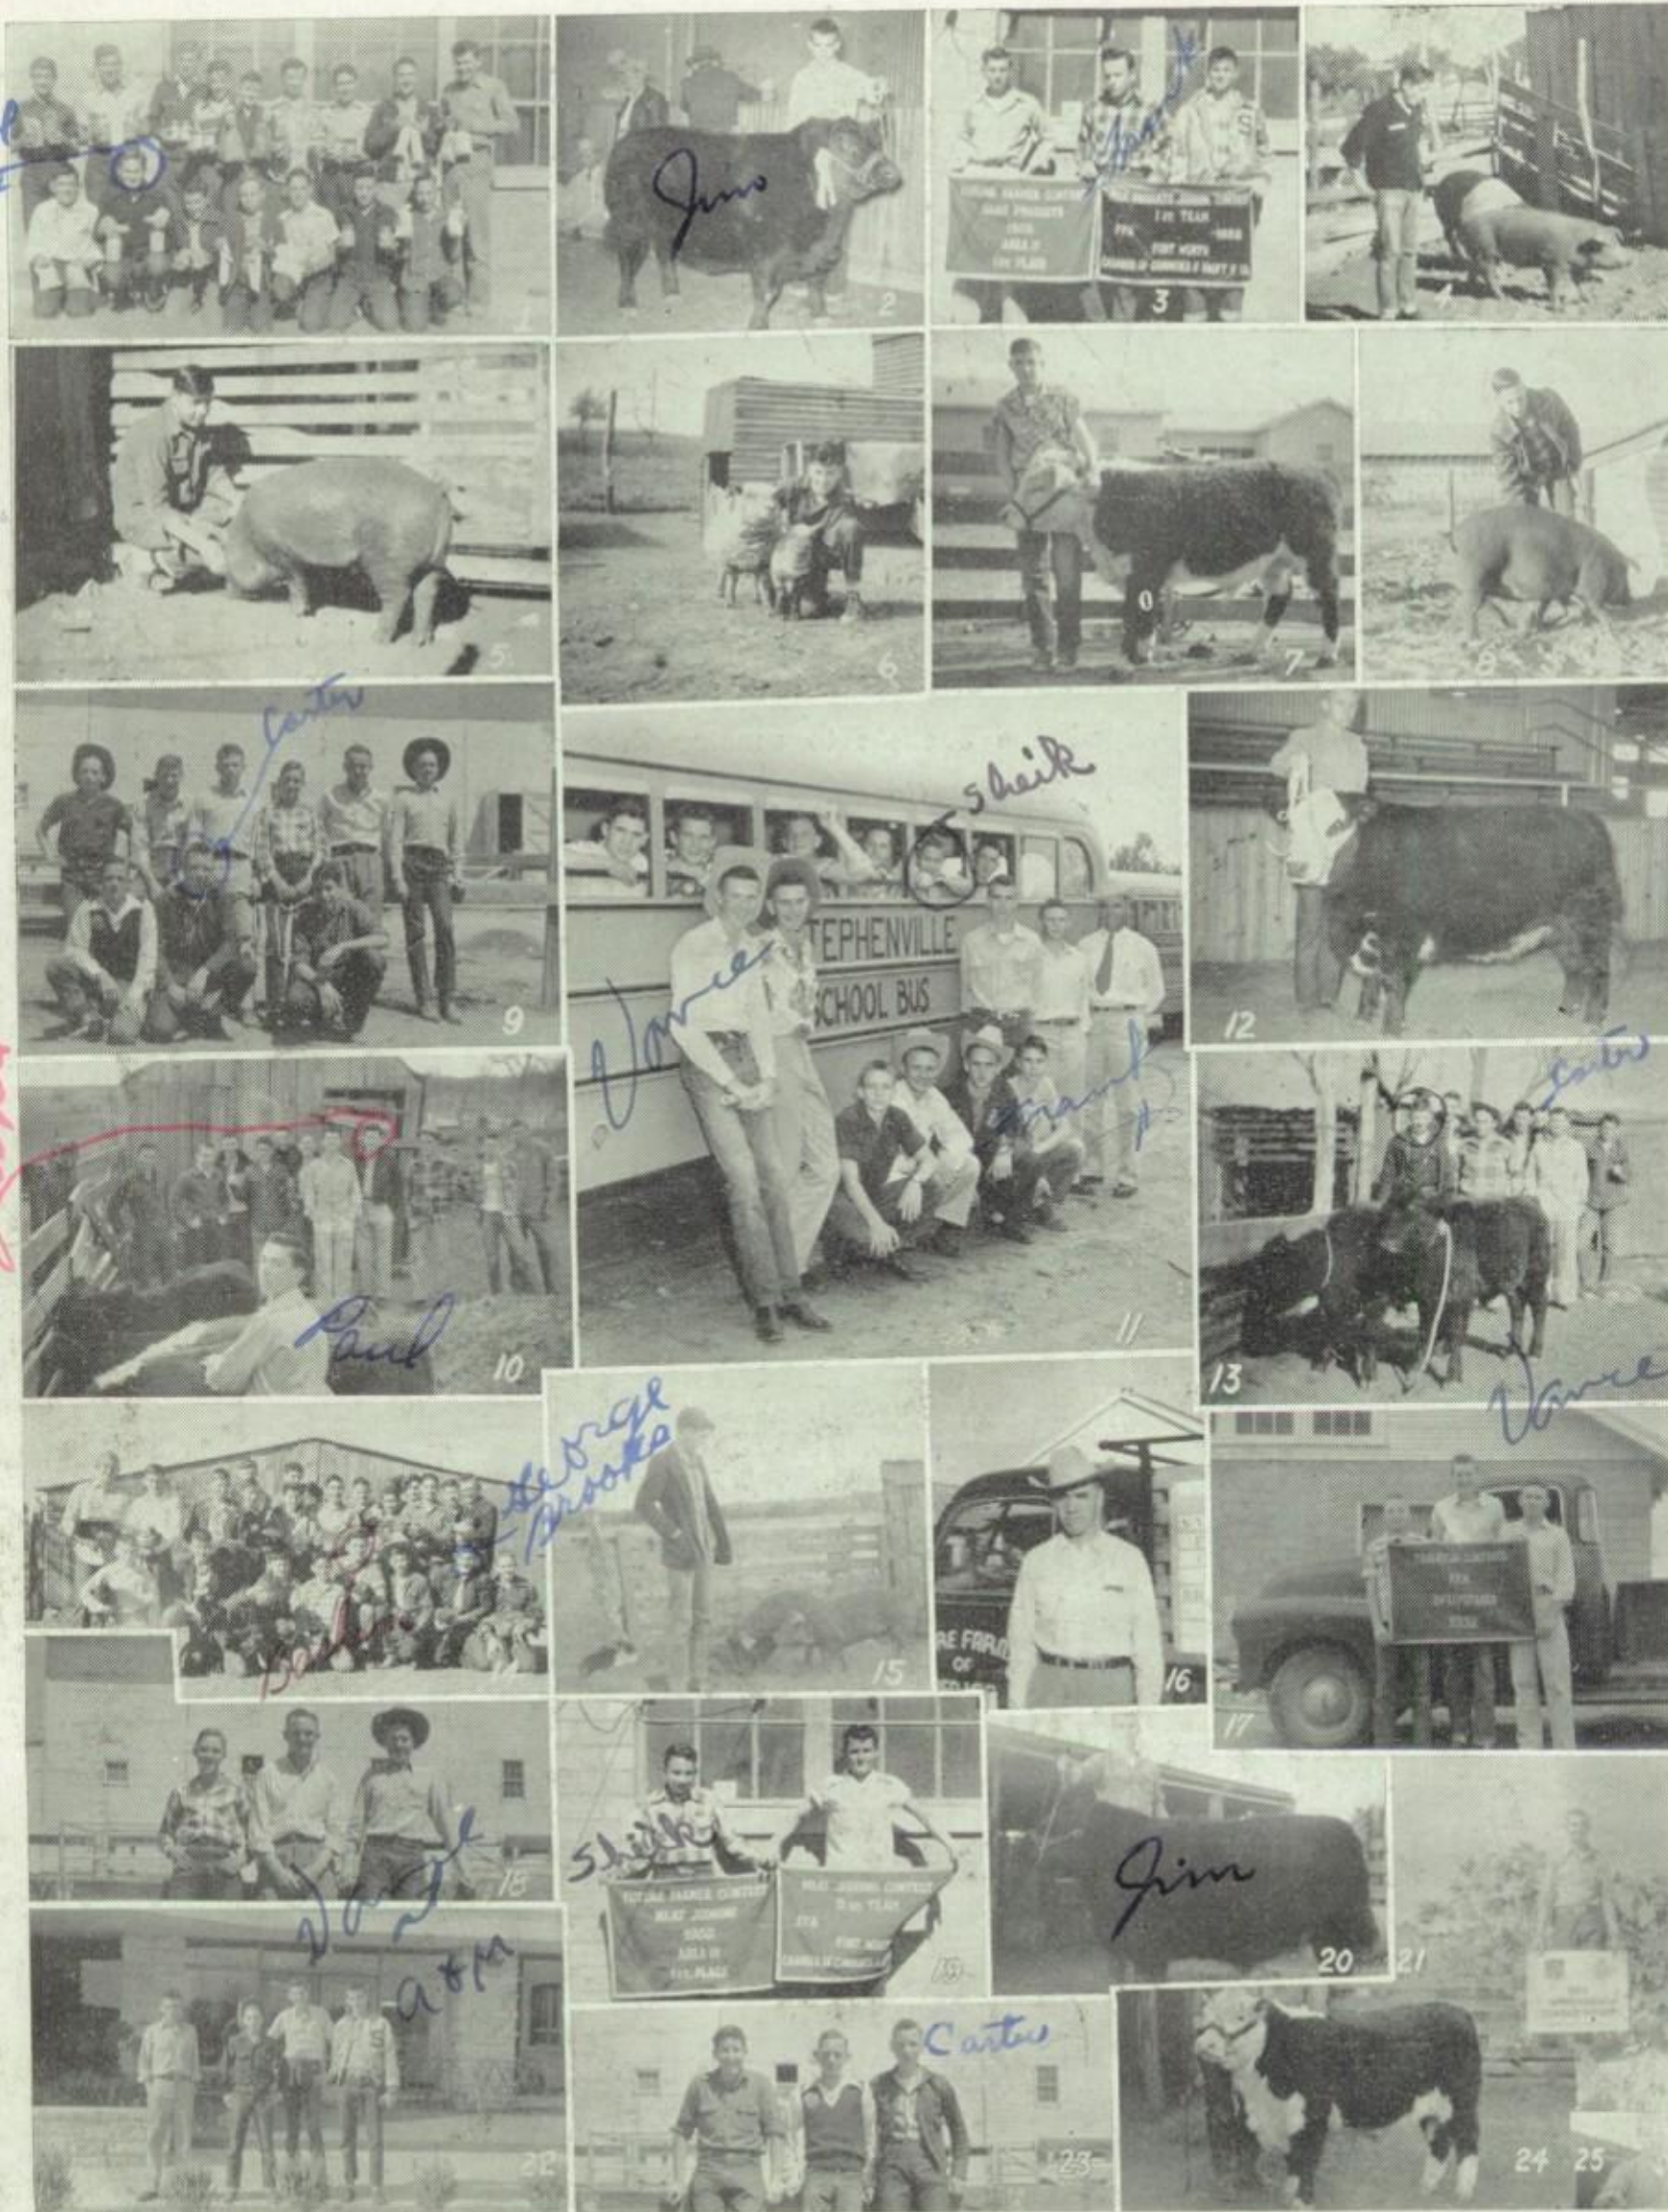

We wish to express our thanks and appreciation to our yell leaders who have given of their fine leadership all year round. They have worked hard both on and off the football field and have striven to lead and guide us to the fullest. Their never ceasing spirit helped the Jackets to muster that extra energy they needed many times to go on to victory. Congratulations to Jerry Timms, Beth Ramsey, Norman Savage, Marilyn Frazier, Brian Fincher, and Bobbie Brock for a job well done!

# S. P. C.

The Student Participation Committee of Stephenville High School is composed of two students from each home room with at least a B average. The students should also be outstanding in every phase of school life. The Student Body President is a member of the organization and presides over the meeting.

The members are spokesman for the students in their home rooms, and they try to see that each student's ideas are discussed during a meeting. The organization tries to promote a feeling of harmony and understanding between the faculty and students. As our chief project this year we have redecorated the stage in the auditorium. The committee also sponsors assembly programs and other projects.

The members of the S. P. C. wish to express their appreciation to the student body for electing them as their representatives. We hope that we have carried out your wishes and have made this year more enjoyable.

The purpose of the Booster Jacket Club is to promote school spirit, boost morals, and learn good sportsmanship. These objectives apply not only to sports but to the classroom and the other activities of the school.

The Booster Jacket Club has sponsored two sox hops to raise money for payment of the yell leader's sweaters. Various pep rallies, projects, and programs have also been performed throughout the year. The club has the largest enrollment of any of the clubs in school and stands as an everlasting tribute to the school spirit.

## "S" <sup>STARS</sup> Association

The "S" Association is a major part of high school athletics. It is composed of the lettermen in football, basketball, baseball, and track.

The "S" Association functions very good under the leadership of Coaches Murphy, Johnson, and Utterback. The "S" Association has been very successful since its organization in 1937.

The highlight of the year is the annual initiation of all new lettermen and at least one social function is planned for the lettermen.

# Band

This year the Band was reorganized by Mr. Grady Barnes. He taught in Dallas Schools before coming to Stephenville. He is a professional drummer, and has done much to improve the band in the department of drums. He has obtained for the band, several new instruments. The band is very active in district, state and local affairs.

The Stephenville High School Band was invited to Midwestern University to help celebrate their Homecoming Day. We marched in a two mile parade, at lunch at the cafeteria of the University, and then attended the Homecoming Day Football game.

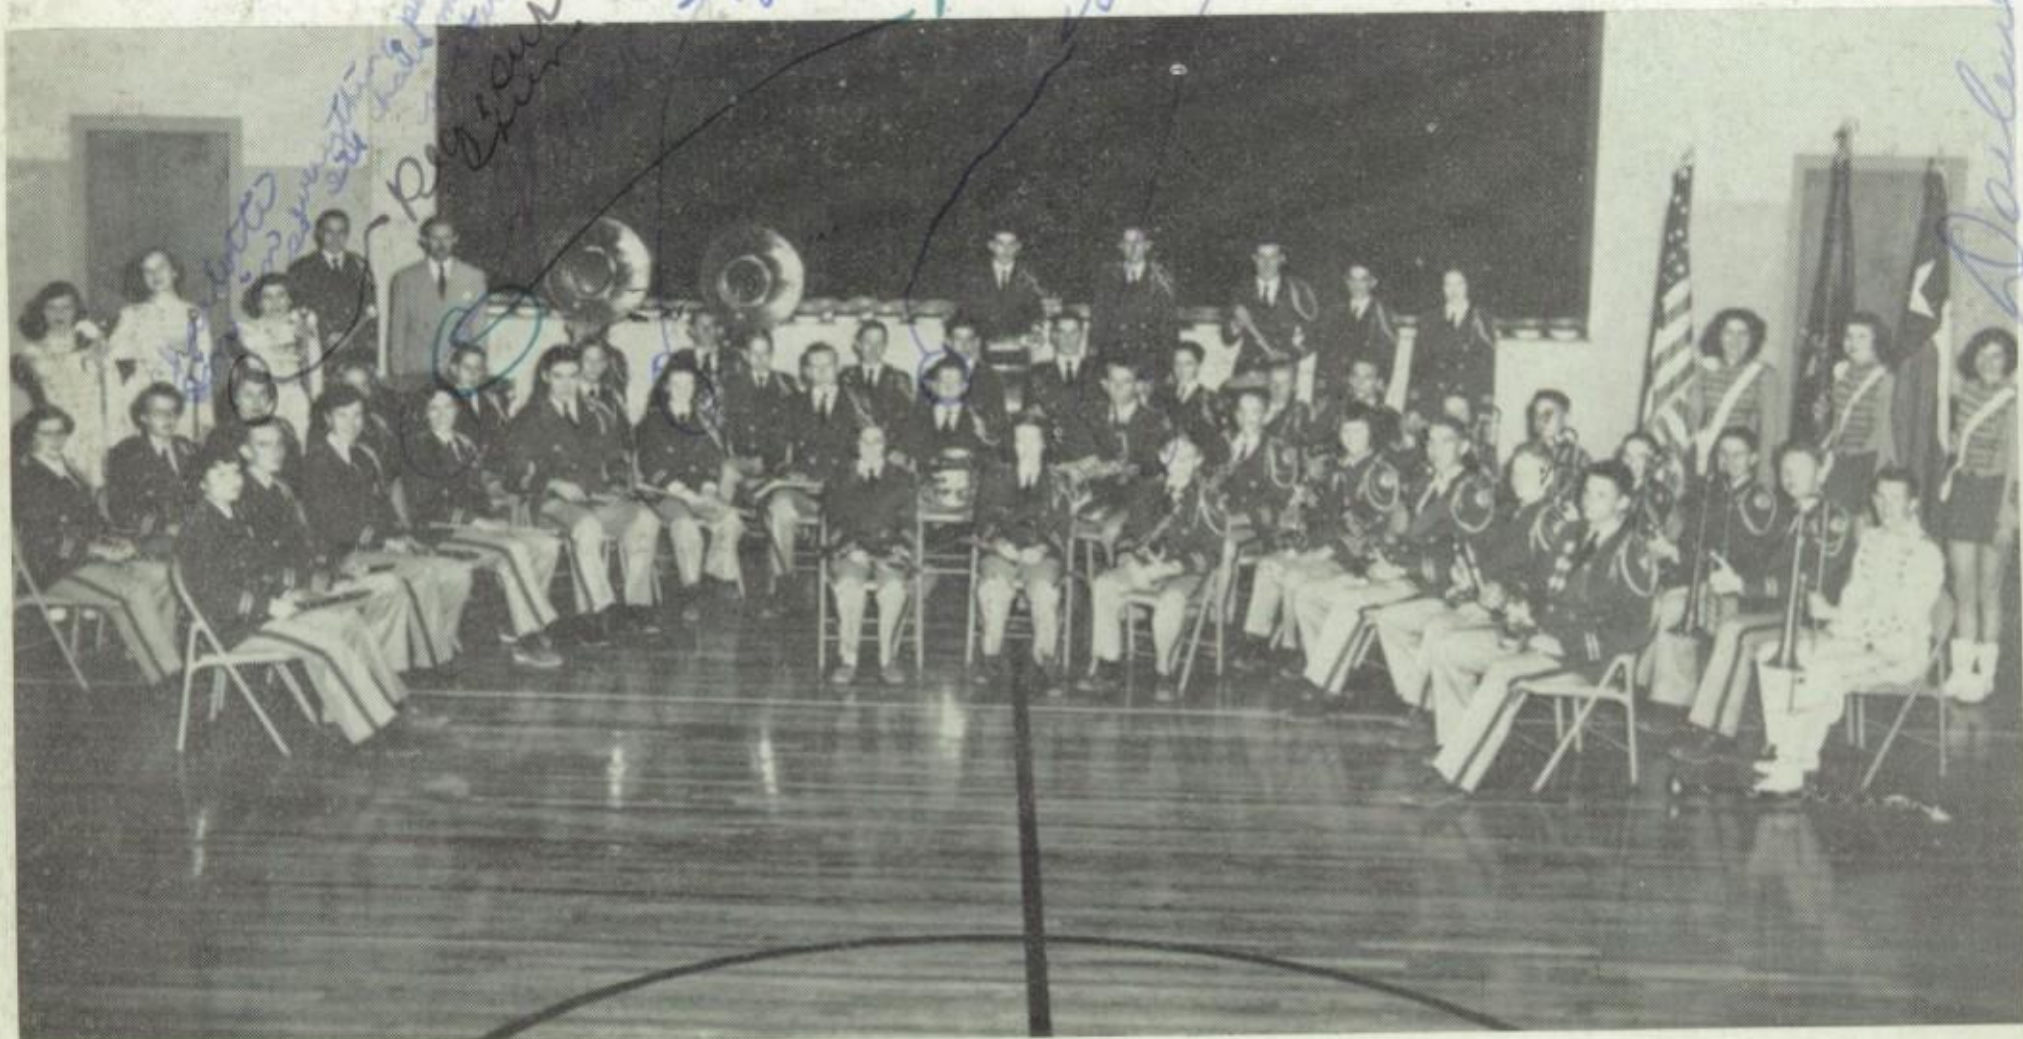

The Band backed the Regional Champions, the Yellow Jackets, at every game, except Coleman. Sickness prevented their going there.

Several of the members of the band were chosen for the All-District band and one was chosen to the All-State Band.

The annual Band Banquet was held May 5 at the Tarleton Dining Hall, followed by a band picnic at Glen Rose.

This year the band attended the State Contest at Tarleton State College.

The Choral Club of 1952-1953, under the new leadership of Grady Barnes, has participated in a great many things. The club has sung at teacher's meetings, in assemblies, at the Lion's and Rotary Clubs. For the first time in the history of S. H. S. Jo Reed Moon and Rom Looney represented the choral club at the All-State Music Convention in Galveston, Texas. A vote of thanks goes to our new director, Mr. Grady Barnes.

Dear Waynell,

Hasn't this year, being one of our  
 best, just been perfect? I've really  
 enjoyed our warm friendship.  
 I hope that in future years we  
 never lose contact with each  
 other. Every since we were kids  
 you've been one of my closest  
 friends. I know you always will  
 be! Good luck, honey, and just  
 stay as sweet and simple as  
 you are now and it's a cinch that  
 you'll succeed.

Good luck and God bless you,

It's sure been  
fun being around

fun, see ya next year.

Dear Waynell,

I don't know you  
very well but what
